BUSINESS MODEL

CUSTOMISED LOGISTICS SOLUTIONS

We support our customers in all areas of fulfilment, professionally and flexibly, regardless of how specific the requirements are in terms of shipping, storage of goods or type of packaging.

E-FULFILMENT

From goods receipt and physical warehousing to worldwide parcel shipping, customer service and returns management, we offer all the services required in a fulfilment process.

VALUE ADDED SERVICES

Carrying out manual assembly or installation work, as well as developing and implementing individual packaging concepts.

CUSTOMISED LOGISTICS SOLUTIONS

FREELY CONFIGURABLE PROCESSES

Create new capacity to drive your core business forward.

AS OUR CUSTOMER, YOU DECIDE WHICH SERVICES YOU WOULD LIKE US TO PROVIDE FOR YOU:
